

Update from Pastor Moise Sam

Pastor Moise Sam is the field director of Mission Possible in the Dominican Republic. He assumed this position over 30 years ago. He oversees 4 churches in the DR and the Ebenezer Education Center in Barahona, which has classes from pre-school to grade 6. Current enrollment is 88 students, however he expects this number to increase, as registration is still open. Each church hosts an after-school program for children in the community. The focus of the after-school program is to assist children with homework and to teach them about Jesus. Adults participating in the after-school programs also show the love of Jesus by providing hair care and other services. Pastor Moise reports that the churches are all very healthy, in that they step up to do what is needed as opposed to waiting for outside help. They are planning to begin construction on two new buildings to increase and improve space. Please pray for Pastor Moise as he leads Mission Possible in the DR.

Ephesians 1:15-16: "For this reason, ever since I heard about your faith in the Lord Jesus and your love for all God's people, I have not stopped giving thanks for you, remembering you in my prayers."

Please pray daily for our staff members.
