

# MISSION POSSIBLE

## Prayer Briefing

### *Praying for Haiti and the Dominican Republic*

Luckelange Saint-Jean, affectionately known as “Lucky” by American teams, has worked as a yardman for Mission Possible for over 20 years. He and his family lived in Dupin when Luckelange was a child, and he got his primary schooling from our Mission Possible school in Dupin and his Secondary schooling at MPCA.

As Luckelange was finishing his Secondary schooling, his father was dying, so he came back to live in the Dupin area. The Director at the school offered Luckelange a yardman job at the school.

Luckelange is excited about what the future holds for him and for the people in his community. “The school continues to help the people here a lot, and it continues to help me a lot, too. Because of the job, I am doing okay financially and have learned a lot of leadership skills. I want the gospel of Christ to have an impact on everyone in my country, and I am working so hard towards that goal.” Please pray for Luckelange as he works at Dupin and serves at Mission Possible.

*Please pray daily for our staff members.*
